CAMPER APPLICATION GUIDE

a seriousfun camp

Welcome to CampSite, our online camper application system. We're excited that you want to attend camp at Flying Horse Farms. Before you start, take a peek below to learn more about the application process.

Camper Application Guide

This camper application guide is for campers who are applying to a family camp weekend. Please note, once you have completed a camper application, it will automatically be saved and can be used for the same camper to apply for future sessions this year. The application can take upwards of an hour to complete. We recommend that you complete it in one sitting. Please review the application steps below and have necessary information available prior to starting the application.

Application Information for Family Camps

- Parent Questionnaire: Independence, social interactions, communication skills, past behavior, emotional history
- Camper Liability & Activity Waiver: Permission for activity participation and agreement to Flying Horse Farms policies
- Summer Camp at Home Questionnaire: Information regarding access to program delivery methods and preferences for virtual programming
- Camper Statistics: Confidential information to inform fundraising efforts
- Health History: Medical diagnosis, medical devices, mental health diagnosis, previous camp experience, allergies, contact information for primary care physician, specialist and mental health specialist. Input all of your child's medications.
- COVID-19 Questionnaire: Information regarding risk factors, exposure, and vaccination for COVID-19
- Add every family member under the age of 18 as a camper for family camp sessions.
- Family & Guest Information: Provide information on each family member's health history and dietary restrictions
- Save page and submit application

Forms

There are two different types of forms in CampSite; WEB and PRINT Please complete all PRINT forms and upload directly back to your account.

- Scan completed document to your computer as one attachment
- Select the "FORMS" tab
- Choose the correct family member
- Choose the form you are uploading (immunizations, disease specific form or parent portion of disease specific form)

**You may also email forms, send pictures of forms, or mail forms to camp.
We are happy to upload them for you.**
