

# CAMPER APPLICATION GUIDE

a seriousfun camp

Welcome to CampSite, our online camper application system. We're excited that you want to attend camp at Flying Horse Farms. Before you start, take a peek below to learn more about the application process.

## Camper Application Guide

This camper application guide is for campers who are applying for camp at Flying Horse Farms. Please note, once you have completed a camper application, it will automatically be saved and can be used for the same camper to apply for future sessions this year. The application can take upwards of an hour to complete. We recommend that you complete it in one sitting. Please review the application steps below and have necessary information available prior to starting the application.
