

## WHAT YOU'LL NEED:

- 1 sheet of foam board
- 1 - 1" fastener
- x-acto knife
- markers

## INSTRUCTIONS:

1. Draw a circle (12-18") on the foam board. Draw lines to divide it into 8 equal sections.
2. Draw an arrow smaller than the circle.
3. Add your favorite stories, campfire songs, or camp dances to the wheel.
4. Cut out the circle and arrow with the x-acto knife.
5. Pierce a small "x" in the center of the circle and the arrow.
6. Attach the circle and arrow with the fastener.
7. Have oodles of fun!
