

# FLYING HORSE FARMS

*Medical specialty camp for kids - always free!*

Here, kids with serious illnesses dive into camp magic—where safety meets adventure!

At Flying Horse Farms, every camper can find the freedom of just being a kid - making friends, trying new things, and taking part in good mischief while making memories.

- No cost to campers and families
- Located 45 minutes north of Columbus, Ohio and 90 minutes southwest of Cleveland, Ohio
- 200 acres to explore with adaptive & accessible activities
- 24/7 onsite medical care
- Licensed & certified medical and psychosocial team at all sessions
- Join 70+ other campers with similar diagnoses and shared experiences
