

SEND A PATIENT TO HEART CAMP

No cost medical specialty camp for young people 8-15.

Heart Diagnoses Include:

- Fontan
- Transposition of the Great Arteries
- DORV
- Tetralogy of Fallot
- Heart Transplant
- Moderate to Severe Aortic or Pulmonary Stenosis
- Pulmonary Hypertension
- Need for cardiac surgery
- Cardiomyopathy
- Complex Congenital Heart Disease
- Oxygen requirement: continuous or night
- AED, ICD
- Long OT
- Kawasaki*
- Previous cardiac surgery without need for future surgery*

*May be waitlisted if low enough acuity to attend a non-medical camp

Example Program Adaptations:

FHF pays extra attention to hydration and rest, supplements water intake with Gatorade (over 250 gallons used this week!), and increases golf cart rides to reduce stress on hearts.
