

SEND A PATIENT TO GI CAMP

No cost medical specialty camp for kids 8-15.

GI Diagnoses Include:

- Anorectal malformations
- Hirschsprung Disease
- IBD
- EOE on a restricted diet
- TPN or any G/J Tubes
- Ostomy of any type
- Immunosuppressive medications
- New significant diagnosis or recent hospitalization*

*May be waitlisted if low enough acuity to attend a non-medical camp

Example Program Adaptations:

FHF pays special attention to increased dietary restrictions, use of supplementary nutrition, and ostomy bag care. Camp also has an increased awareness of hydration and works to normalize GI care and dietary needs.
