

SEND YOUR KID TO HEART CAMP

Medical specialty camp for kids - always free!

Heart Camp is June 10 - 14, 2026

- 24/7 onsite medical care
- Licensed & certified medical team and psychosocial team at all sessions
- 200 acres to explore with adaptive activities
- 70+ campers sharing similar diagnoses and experiences
- During Heart Week, FHF pays extra attention to hydration and rest, supplements water intake with Gatorade (over 250 gallons used during this week!), and increases golf cart rides to reduce stress on hearts

For campers ages 8-15
