

SEND YOUR KID TO HEMATOLOGY & ONCOLOGY CAMP

Medical specialty camp for kids - always free!

Hematology & Oncology Camp is June 26 - 30, 2026

- 24/7 onsite medical care
- Licensed & certified medical team and psychosocial team at all sessions
- 200 acres to explore with adaptive activities
- 70+ campers sharing similar diagnoses and experiences
- During Hematology & Oncology Week, FHF pays special attention to temperature regulation adaptations (like heating over 3 million gallons of water so campers can swim safely), increases golf cart rides, and has an increased awareness of exposure to bacteria or risk of bleeding from minor injuries.

Scan to apply today!

**Priority application deadline
March 16, 2026**

For campers ages 8-15
