Seasonal Staff

WHAT DOES JOINING SEASONAL STAFF MEAN?

A summer at Flying Horse Farms provides the opportunity to learn more about yourself while making a valuable impact. As part of the FHF team, you are welcomed into a community that supports your growth while uplifting the change you can make while serving others together. These team members know camp inside and out, as they are at camp the duration of the summer season.

WHAT IS THE TIME COMMITMENT?

Seasonal staff members are expected to be at camp for every residential session in the summer. Although arrival and departure dates may vary, all seasonal staff members can expect to be at camp from the end of May to the beginning of August with scheduled breaks and time to reset throughout the summer. Of course, we understand that you may have commitments, etc., throughout the summer.

If you have any known commitments, be sure to specify these when you fill out the application and we will do our best to accommodate these if you are offered a position!

HOW DO I APPLY?

Visit our website at <https://flyinghorsefarms.org/careers/> to learn more and begin the application process. Contact campstaff@flyinghorsefarms.org with any additional questions.

WHEN SHOULD I SUBMIT MY APPLICATION?

Seasonal Staff positions are all filled on a first-come, first-served rolling basis and filled following interviews. Space fills up quickly, so we recommend submitting your application as soon as possible.

WHAT DO WE NEED TO BRING TO CAMP?

Prior to camp, you will receive an email with a confirmation packet that will include a packing list!

CAN I BRING A CELL PHONE OR COMPUTER?

We try to keep camp low-tech, so our campers are focused on exploring and having fun. You can bring your cell phone, but we would love it if you tried not to use it during your shift in camp and wait until you are on break. Computers and valuable items should be left at home unless they are a necessity. We have computers at camp, but only for emergencies.

WHERE WILL I SLEEP AT CAMP?

Housing at camp varies based on role:

Medical Staff: Apartment style housing in the WellNest

Cabin Counselors: In our modern cabins with campers. Cabins are laid out to house 10 campers and up to 4 counselors. They are fully air conditioned and have private shower and toilet stalls.

Activity and Psychosocial Staff: In dorm style housing in the Big Red Barn. Staff should expect to share a room with 3-4 other staff/volunteers. Each room has bunk beds and a private bathroom, and comes equipped with a toaster, refrigerator, and access to our seasonal staff kitchen area.

Towels, linens, and bedding are provided. Please note any additional accommodation/adaptations you may need in your application.
