Summer Residential Camp

WHO IS ELIGIBLE TO COME TO CAMP?

Campers have diagnoses including cancer, heart conditions, rheumatologic diagnoses, blood disorders, lung conditions, gastrointestinal disorders, craniofacial diagnoses, spinal cord diagnoses and mental health conditions.

For any medical-related eligibility questions, please contact our Medical Team by emailing medical@flyinghorsefarms.org

WHAT IF OUR CAMPER IS NOT ABLE TO MAKE IT TO THEIR ASSIGNED SESSION?

Placements into all FHF sessions are determined based on multiple factors including diagnosis, medical and psychosocial care needs, available spaces, and overall genders and ages represented in the camp. Occasionally, because of family availability or FHF team decisions, a camper is invited to attend a session other than their diagnosis-specific session. This decision is always made with the camper's best opportunity for a transformational camp experience in mind.

If your camper is unable to attend their assigned session, please reach out to our Admissions Team by emailing campers@flyinghorsefarms.org.
