Campfire is a night to raise money for the mission of Flying Horse Farms: making it possible for kids living with a serious illness to heal, grow and thrive.

Enjoy an upscale evening under the stars with stories from the kids themselves, live music, camp bites from Cameron Mitchell Premier Events, all guaranteed to leave you inspired.

On October 4, you are more than a guest at an event, you become part of every family's journey to camp. Let's make more smiles, more joy, and more healing happen.
