

# BE A CAMP RANGER AND/OR TRAILBLAZER!

*Medical specialty camp for kids - always free!*

**Trailblazer Adolescent Young Adult Camp is July 24 - 26, 2026**

**Ranger weeks are June 10 - 14, June 26 - 30 & July 15 - 19, 2026**

## RANGERS

- Residential weeklong program
- Open to 16 + 17 year olds who have attended FHF
- Campers can only attend two years
- Program focused on leadership development and giving back to the camp community with some traditional camp elements mixed in

There are two Ranger pathways:

- Self-Discovery Pathway - centered on understanding yourself as a person. You will explore your strengths, values, and motivations through reflection, creativity, and connection with others. This pathway is best for Rangers who are curious about who they are and how they can grow into their fullest potential.
- Servant Leadership Pathway - focused on leadership through action. You will take part in hands-on service projects that make a difference around camp while learning teamwork, responsibility, and how to lead by supporting others. This pathway is best for Rangers who are motivated by helping, doing, and leading through example.

*For campers ages 16-21*

**Scan to apply today!**

**Priority application deadline  
March 16, 2026**

## TRAILBLAZERS

- Residential weekend program
- Open to 16-21 year olds
- Campers in eligible age range can attend every year
- Program focused on making the tradition from teen to adult and includes knowledge drops, personal development, and some traditional camp elements mixed in
